Dear Masters Athlete,

Thank you for expressing an interest in being considered for selection for the England Masters cross country team in connection with the International to be held at in **Swansea, Wales on Saturday 17th November 2018**. Teams will be selected by a panel of selectors representing the various regions of England. Selectors will take into consideration performances at **5k and 10k road, track and country**.

BMAF championship events will also be considered but I must stress that these are not selection races as such. We will look at the **EAMA Inter Area Club XC at Bury St Edmunds on 29th September 2018** as this will give us a more up to date guide to form on the country. This will help in terms of identifying performances by athletes in the same age groups going head to head. Power of 10 statistics are useful but do not compare runner against runner, course against course and conditions against conditions.

I would therefore urge you to ensure that you include all relevant 5k and 10k results posted this year in your application form together with any relevant BMAF/Area club championship results.

If selected you must be prepared to pay your own travel and accommodation expenses, as there is no financial assistance available from EAMA. Some Area Masters clubs may offer a contribution towards expenses. Your England vest may be supplied. You will however need to supply other items of running kit (including red shorts if possible).

Athletes will be notified about the outcome of their application within a few days of the selection meeting in October.

It is important that all athletes wishing to be selected are paid up members of their respective Masters/Veteran area club or association and also be UK registered. Applications must be made on the official form which must be fully completed and sent to the relevant area club/association representative named below by Wednesday 3rd October at the latest. Applications received after this date will not be considered. Please ensure you supply a reply paid envelope with the correct postage.

Good luck with your application and with your training and racing during the coming months.

Yours in Sport,

Philip Lee
EAMA Cross Country Secretary
